\* The Town books show that a \$1,500.00 principal payment was made on the \$5,500.00 Town of Marlboro Note, reducing this note principal to \$4,000.00. This payment was not received by the Trustees until after the close of the fiscal year so our accounting will indicate this in next year's report.

† Transferred principal and interest of Merrimack County Savings Bank (J. T. Collins Fire Department Fund—Part) to Savings Bank of Walpole.

‡ Although the 1941 interest of \$120.97 earned on the Charles C. Ward Town Fund was paid to the Town at the end of the last fiscal year, it was later refunded to the Trustees in accordance with a vote taken at the March 1942 Town Meeting. For this reason, \$120.97 appears as Accumulated Interest in the Laconia Savings Bank although the 1942 Town Report indicates that all available interest was paid. In accordance with the vote at the 1942 Town Meeting, the interest from this fund is to be allowed to accumulate until enough interest money is available to buy new seats for the Town Hall.

§ The "Special Reserve Fund" principal was \$99.90 on February 1, 1942. Although we were advised last year that we had received the final liquidating dividend from the defunct Merrimack River Savings Bank, we received the 6th and final liquidating dividend amounting to \$7.39 during this year making a total liquidation of 72.7%. This \$7.39 was credited to the principal of the Special Reserve Fund as the loss on the W. H. Wilkinson School fund which was formerly invested in the Merrimack River Savings Bank had been previously restored from the "Special Reserve Fund."

|| Transferred all principal and interest of New Hampshire Savings Bank to Laconia Savings Bank. Interest available from both banks is reported in the "Interest Available" column for the Laconia Savings Bank.

¶ During the year, we received \$1,850.00 in new Trust Funds as follows:

\$250.00	Bradley Wright Cemetery Fund (created from Estate of Fred M. Lamson by Mrs. Helen F. Lamson, Executrix, the income to be used for the care of the Bradley Wright cemetery lot in Graniteville Cemetery).
\$100.00	Luke Blodgett Cemetery Fund (created by Clement B. Blodgett, the income to be used for the care of the Luke Blodgett cemetery lot No. 116 in Graniteville Cemetery.)
\$100.00	Willie D. and Bertha A. Collins Cemetery Fund (created from Estate of Bertha A. Collins by Charles C. Clafin, Administrator, the income to be used for the care of ½ of lot No. 36 in Pine Grove Cemetery).
\$100.00	Fred C. Bemis Cemetery Fund (created from Estate of Fred C. Bemis by Mrs. Minnie L. Bemis, Executrix the income to be used for the care of the Fred C. Bemis cemetery lot in Pine Grove Extension Cemetery).
\$50.00	George Harvey Cemetery Fund (created by Mrs. Minnie L. Bemis and Miss Annie A. Harvey, the income to be used for the care of the George Harvey cemetery lot in Graniteville Cemetery).
\$1,000.00	Luther Hemenway Trust Fund (created by Fred D. Hemenway, the income to be spent annually for the care and improvement of neglected cemetery lots in Graniteville Cemetery in Marlboro, N. H.).
\$150.00	Rolon M. Lawrence Cemetery Fund (established by Rolon M. Lawrence, the income to be used for the care of his cemetery lot in Pine Grove Extension Cemetery).
\$100.00	Charles H. Robinson Cemetery Fund (established by Charles H. Robinson, the income to be used for the care of his cemetery lot in Pine Grove Extension Cemetery).
<hr/>	
\$1,850.00	

£ Transferred all principal and interest of Strafford Savings Bank to Laconia Savings Bank. Interest available from both banks is reported in the "Interest Available" column for the Laconia Savings Bank.

[ The Civil War Veterans' Monument Flower Fund is this year included with the Cemetery Funds as the Cemetery Committee is the agent which will spend this income.

Respectfully submitted,

Town of Marlboro, N. H.

ROLAND A. WHITNEY,  
(MRS.) KATE K. DAVIS,  
CHARLES B. KNIGHT,

The Treasurer's Report and that of the Auditor for 1942, were read by Mr. Fred D. Hemenway and accepted. The Treasurer's report showed an income including cash balance Sept. 11, 1941 of \$622.90 of which the sum of \$528.56 has been expended during the past year, leaving a balance on hand October 26, 1942 of \$94.34.

The report of the Librarian, Mrs. Helena Croteau, was accepted with thanks and it was voted to send a copy to President Rufus Frost who was unable to be present at the meeting.

Miss Ruth Hemenway reported for the Book Committee that 75 books costing about \$100 have been added to the library and that the work on the juvenile list is completed.

Mrs. Mabelle Page reported that the furnace is broken and must be repaired or replaced before cold weather. The chair was instructed to appoint a committee to attend to the matter and Mr. Charles T. Richardson and Mr. Walter Buckminster were duly appointed by the Vice President in the absence of the President.

Mrs. Mabelle Page also voiced the need of better janitor service and it was voted that Miss Hemenway and the Librarian, Mrs. Helena Croteau, work together in an effort to improve the present situation.

The need of town assistance was discussed and it was voted that the sum of \$300 be inserted in the next town budget for consideration at Town Meeting.

The meeting adjourned at 9.20 p. m.

Respectfully submitted,

BARRON F. McINTYRE,

Secretary.

### LIBRARIAN'S REPORT

---

To the President and Trustees of the Frost Free Library, the librarian submits the following report for the year ending Oct. 27, 1942.

The library has been open 115 times with a total circulation of 4,254 books, 2,870 of which were adult fiction, 1,384 juvenile fiction, 175 adult non fiction and 67 juvenile non fiction.

The total circulation of magazines was 3,675.

The Hobby magazine was added to the list of magazine subscription and has been very much enjoyed by everyone. This makes a total of 40 different magazines. The patrons of the library must appreciate this large choice of magazines. This seems a fitting

time to renew our thanks to the Frost heirs whose generosity make such a magazine collection possible.

Mrs. Gertrude Bryant and the W. C. T. U., still continue to add to our monthly collection of magazines.

A great deal of literature regarding the Civilian Defense set up has been sent to us as well as numerous bulletins from the N. H. state university regarding nutrition and farming.

75 new books have been added to our collection during the past year.

We are grateful to the following people for books donated during the past year. Mrs. Goodwin Parker and Mrs. Curtis Fairbanks. Miss Ruth Hemenway gave a copy of Robert Frost Poems and the Woman's Club a copy of the History of the N. H. Woman's Club. Our sincere thanks to them and all others who have given books or magazines.

### REPORT OF HEALTH OFFICER

---

At the beginning of the year there were quite a few cases of measles, none of them serious. During the year we have had a few scattered cases of other contagious diseases. We think, on the whole, the people of our town are very healthy.

All contagious diseases no matter how mild should be reported to the health officer.

DR. LEWIS G. HILDRETH,

Health Officer.

The Annual Pre-school and Toxoid Clinics were held in May. Seventy-three children attended the clinics. Sixty-four children were given physical examinations by Drs. Walter F Taylor, Philip Daniels and Fred DeBold of Keene, N. H. Twenty-nine children were given Diphtheria Toxoid by Dr. L. G. Hildreth. The Clinics were held at the Youth's Center this year and we are grateful for the privilege of conducting our clinics there.

During the afternoon milk and graham crackers were served to the children by members of the local Woman's Club who helped to sponsor the clinics.

### WELFARE WORK

There has been much less welfare work this year. However the Red Cross, Community Welfare Association, Boy's Club, American Legion and Auxiliary and Rotary Club of Keene have contributed generously to dental, orthopedic, medical and other corrective work.

At this time I wish to express my appreciation to all who have in any way helped in our health program and I wish to thank Mr. and Mrs. Claude Mason who have handled telephone calls while I was away from the house.

## REPORT OF SUPERINTENDENT OF SCHOOLS

---

To the School Board and Citizens of Marlborough:

I herein submit my twentieth annual report as superintendent of schools.

From a discussion on education after the war, I wish to quote from a report made by the Conservative Party, Viz. "Of all the State's activities, education is the basic activity, because it conditions the future character of the entire community." "In war time, the maintenances of these services at a level of high efficiency should have maximum priority."

To meet the ideals of above quotations, I report a few of the several objectives toward which we are aiming: (1) to maintain the purity of the English language, (2) to give greater emphasis on fundamentals, especially in mathematics, (3) to offer a total interpretation of history, geography and economics, (4) to imbue our pupils with a better understanding of the vital principles of our Constitution and the American Way of life. For the accomplishment of these goals we ask the cooperation of teachers, parents and citizens.

### CALL FOR TEACHERS

Due to the call of war service, defense work and office work, many teachers have given up the teaching profession. As a result I have had to resort to commercial advertising in order to keep open some of the rural schools.

As conditions may be worse next year, I suggest that former teachers take advantage of the opportunity of attending the Summer School at Keene and thus place themselves in position to qualify with the regulations of the State Board of Education.

I believe this would be a patriotic gesture.

## Report of Headmaster of High School

Mr. F. T. Johnson, Superintendent of Schools, Marlboro, New Hampshire:

I herewith submit my first annual report as Headmaster of Marlboro High School.

Grade X	Joyce Arsenault, Phyllis Hall.
Grade XI	Corinne Clark, Nancy Richardson.
Grade XII	Jeanne Arsenault.

### TEACHERS AND SUBJECTS

Mrs. Elizabeth Arsenault: History and Civics (7-8), Geography, Junior Business, Practical Arts (7-8), Civics 9.

Mrs. Alice Hildreth: Modern European History, French, Latin, History of Civilization, Mathematics (7-8).

Miss Phyllis Osgood: English (7-12).

Miss Winifred Mager: Commercial Geography, Typewriting, Stenography, Bookkeeping, Office Practice.

Mr. Arthur T. Coogan: Music.

Mr. Victor Sanborn: United States History, Biology, General Science (7-8-9).

Mr. John H. Frye, Headmaster: Algebra, General Mathematics, Geometry, Economics, Chemistry Manual Arts (7-8).

### ACTIVITIES

The major class activities to date include: The Freshman Reception Hallowe'en Dance, Harvest Dance, Six Whist Parties, and The Christmas Party.

Assemblies for special activities and occasions are held once every two weeks on the average.

Several feature and documentary films have been shown on the school movie projector. Mr. Alden J. Beauregard has contributed his services in the expert care and operation of this equipment.

A salvage campaign has been sponsored in Grades I-XII and enthusiastically supported by the community. The sum of \$47.78 has been released from this project, and several tons more have been collected and will be disposed of as soon as possible.

The purchase of War Stamps and Bonds under the supervision of Miss Mager has been regular and extensive. The total sales for this term amount to \$479.60 in Grades I-VI and \$266.35 for the upper grades.

The school enrolled in the Junior Red Cross and supported the Infantile Paralysis Campaign.

### ATHLETICS

The athletic program has been continued in spite of many difficulties. The mileage traveled for basketball games has been greatly limited, due to the temporary withdrawal of Marlboro from the Monadnock League. A schedule of ten games for the boys and eight for the girls is nearly completed.

The girls' squad, under the leadership of Miss Mager, consists of: Alberta Croteau, Captain; Doris Beauregard, Manager; Edwina L'heureux, Jeanne Arsenault, Theresa Germain, Lydia Pellerin, Joyce Arsenault, Gloria Beauregard, Charlotte Knight, Janice Barron, Theresa L'heureux, Helen Knight, Patricia L'heureux and Mildren Thoin. The girls have maintained a winning team, scoring a total of 328 points to 211 points for their opponents.

The boys' squad, consisting of Frank Robinson, Captain; Herbert Richardson, Clevis Croteau, Napoleon Benoit, Gordon Mulally, Robert Beauregard, Richard Barron, Arthur Croteau, Free-land Yardley and Ludger Everard should be commended for steady improvement, due to faithful practice. Norman Knight has been the manager and Mr. Frye the coach. Due to the fact that four of the five regular players are freshmen, this very active group may become more prominent before graduation. They have won three games in eight starts so far and scored a total of 221 points to 251 for the opponents.

The Junior High basketball players have been busy under the supervision of Miss Osgood and Mr. Sanborn.

The present athletic program, consisting of inter-scholastic basketball and baseball, might be enhanced by a physical fitness program for all pupils as in the surrounding schools. Such a program cannot be adopted at present, due to the limited school day and the lack of facilities in poor weather.

### CONCLUSIONS

The recently enlarged laboratory is a great improvement. The current demand for additional instruction in Science and Mathematics is being met.

The safety and protection of all children has been provided for by improved equipment, playground supervision, and drills in anticipation of emergencies.

The record of our school would be improved if all parents insisted on prompt and regular daily attendance, except in those cases of necessary absence. The time and facilities for additional home study would be desirable in some cases in the upper grades. Parents should visit the school more often.

The splendid support of the community in the numerous school activities is an inspiration to the teachers and pupils.

I wish to express my appreciation for the cooperation of the pupils, the parents, the School Nurse, Mr. Anderson, the teachers, and the School Board members.

Respectfully submitted,

JOHN H. FRYE,

Headmaster.

### MUSIC

February 13, 1943.

Mr. Frederick T. Johnson,  
Superintendent of Schools,  
Marlboro, New Hampshire.  
My dear Mr. Johnson:

Is it not true that one of the chief objects of education in this country is to make good and responsible citizens? In America our ideal is to require all the children to attend school until they are so completely equipped with knowledge, habits, skill, and ideals that they may become strong citizens of a great democracy.

But what is a good citizen? It is not easy to define specifically, but in general we may say that a good citizen is one who is well

balanced. This means an equal development of the intellect and the emotions.

Pupils study arithmetic in order to acquire practical ability in mathematical calculation and also gain a degree of intellectual proficiency. Other subjects such as geography, reading, history and the languages, may be presented for the same purpose, but the subject which proves most effective in developing an aqual balance of the intellect and the emotions is music, because it provides a wonderful outlet for those finer emotions which make us human. It is the language for expressing those emotions. This is the reason why music in the schools is equal in value to other studies, and perhaps even more effective in cultivating the qualities of a good citizen.

Vocal music in the high school is being taught in classes and is progressing in a satisfactory manner. A special class has been arranged for students with special interest in vocal music. This group is being trained for public appearance, and a public concert will probably be given in the Spring.

The orchestra has not yet been reorganized after losing so many of the good players of two or three years ago. However, several students are learning to play instruments and as soon as sufficient progress has been made by these pupils the orchestra will be started again and regular practice periods will be arranged.

The war conditions have made after school rehearsals almost impossible. Many students are working afternoons and it cannot be expected that they will give up this working time for extra curricular activity.

By the end of another season we hope to have a very good orchestra in our school.

The grade school music is being carried on as in previuos years. Much progress and interest in music is evident in the lower grades.

Again, I express my appreciation to the teachers, Principal John Frye, Superintendent Frederick T. Johnson, and the School Board Members, for their continued interest and cooperation.

Respectfully submitted

ARTHUR T. COOGAN,

Supervisor of Music.

## REPORT OF THE SCHOOL NURSE

---

To the Superintendent of Schools:

The following report is submitted to Mr. Frederick T. Johnson, Superintendent of Schools.

Frequent visits have been made to the school. The pupils have been weighed and measured three times during the year.

From January to May, forty-two pupils received free milk and cod liver oil; this being served by the N. Y. A. girls. Beginning in November thirty-six pupils are receiving milk and cod liver oil, and it is being served by the teachers. We are very grateful that we are able to continue the serving of the milk and oil at this time.

### PHYSICAL EXAMINATIONS

The annual physical examinations of all the pupils were done in September and October by Dr. L. G. Hildreth, assisted by Della A. Robbins, R. N.

235 pupils examined.

37 10 percent or more underweight.

2 with some loss of hearing.

12 defective vision.

12 defective tonsils.

2 defective hearts.

Corrections since the last examination:

6 have had tonsils and adenoids removed.

4 have been fitted to glasses.

In June the State Audiometer was used and we tested the hearing of all the pupils above the second grade; 199 pupils examined, 8 showed slight loss of hearing.

### DENTAL CLINIC 1941-42

The annual dental clinic was held at the Village School by Dr. Gerald FitzGerald of Keene, N. H.

During the year 128 pupils received complete dental care.

## Work done:

- 96 cleanings.
- 49 temporary teeth extracted.
- 4 permanent teeth extracted.
- 29 porcelain fillings.
- 320 amalgams fillings.
- 5 treatments.

---

503 total number of operations.

The Dental Clinic this year has presented quite a problem, since Dr. FitzGerald has entered the Service and we were unable to get any one to come here to do dental work. Finally we were fortunate enough to arrange with Dr. Erwin Adams to send Miss Frances Blodgett, his dental hygienist to examine the teeth of all the pupils, and notices of the defects found were sent home to the parents. Miss Blodgett has also cleaned the teeth of sixty-eight pupils.

We have asked the parents to cooperate by taking their youngsters to their family dentist if possible. The pupils who have signed up to have their work done through the clinic have to be taken to the dentist office. Dr. L. J. Metivier is giving three hours a week and Dr. R. H. Barnard is giving two hours each week; beginning the first of March, Dr. R. S. King will give 1 hour each week. We should feel fortunate to be able to have a clinic this year even under difficult conditions, as in many towns they have been discontinued.

In closing I wish to thank all who have so willingly helped in the many ways to better the health of the pupils.

Respectfully submitted,

DELLA A. ROBBINS, R. N.
